Replying to @realDonaldTrump

As a successful business owner in the commercial construction industry, I would like to see FULL funding of America's much needed border wall as part of the BIG and BOLD necessary infrastructure plan.
As a candidate for Congress, I would vote for the wall!

Remember when Republicans lost the House in 2018 because a bunch of them distanced themselves from President Trump?

Not inviting President Trump to the GOP retreat is the same stupid behavior.

Funny how they don't understand a record # of votes and support of any R President.

Now she is giddy to let us all know how happy she is to attend Biden's exclusive little party.

But the silence from Republicans is even more deafening.

This is a coordinated attack from the deep state and the media, which also has an interesting timing bc it came after he stood with the people against Liz Cheney.

...But the disconnect between Republican voters and the old guard can't be repaired.

They are more aligned with Biden, the progressive communist, the globalists,the deep state, and the media than they are with the people.

So about that silence from Republicans.

Very telling...

As we all saw on video, Officer Reardon saved the young woman's life and should be treated like a hero.

California has a real opportunity now that grassroot CA Rep worked so hard to get the signatures to recall that loser Gov Newsom.

CA Republicans need a serious candidate. Don't play identity politics. It's not about the political consultants.

Play to win for the CA people!

Tucker Carlson is absolutely right about the masks myth.

Stop masking children!

End masks mandates.

Let people choose to wear a masks or not and don't be hateful.

We should be addressing obesity as the highest risk factor, not punishing healthy people and kids.

We must stop giving billions in foreign aid to countries who's people are illegally invading our country.

After decades of trillions in foreign aid, these countries shouldn't have any problems.

We should demand an audit of how our money has been spent and they stop invading us.

But the white people in Antifa/BLM who burn cities, loot businesses, attack police officers, attack federal buildings, and tear down monuments are in the biggest terrorist group.

No social distancing and Biden put his hands on everyone.

And Biden broke @SpeakerPelosi's mask rule by giving a speech without a mask in the House floor.

Why did President Biden barely address the border crisis last night?

Because he created it and has no plan to fix it.

My statement on the Back The Blue Rally in Columbus, Ohio scheduled for tomorrow, May 1, 2021:

Congresswoman Marjorie Taylor Greene's Statement on Back The Blue Rally in Columbus, Ohio

FOR IMMEDIATE RELEASE
APRIL 30, 202

Rome, Georgia – Congresswoman Marjorie Taylor Greene released the following statement on the Back The Blue Rally in Columbus, Ohio scheduled for May 2021

"Unfortunately, the Back the Blue Rally in Columbus, Ohio where we expected thousands of freedom-loving Americans to come out in support of our Law Enforcement Officers, has been postponed. I received a call last night by one of the organizers with information about the rally that I find incredibly disturbing and infuriating. I believe everyone needs to know the truth.

The organizers, who have held other events at the Capitol, paid for and received a permit for the Back the Blue Rally planned for Saturday, May 1st. Less than 48 hours before the event, they received calls from Ohio State Patrol telling them that a large counter "protest" by Black Lives Matter and Antifa was being planned and there would be no security fencing provided for the permitted and paid for rally.

At all their events they have had at the Columbus Capitol in the past, there has been security fencing provided and a counter protest area provided so that everyone's first amendment rights were met and so that everyone's security needs were met. However, within less than 48 hours before the event, this time all past security measures were thrown out the window.

Why?

As someone who was personally locked in a classroom in 11th grade due to a fellow student who brought guns to our "gun-free "school intent to kill others, I'm proud to say I'll cosponsor the Safe Students Act to repeal "gun-free" school zone laws and allow Americans to protect our children

I personally understand the fear as a student when there is no good guy with a gun to protect us from the bad guy with guns

As a mother I also personally understand the fear every parent feels when their children are left as sitting targets all day at "gun-free" school zones

Scot Peterson allowed children to be left defenseless against an active shooter. When he was supposed to protect them, he was a coward and refused to go in

ny in the world would he receive such a lucrative nsion after the tragic school shooting at Marjory oneman Douglas High School?

sickening

e shooter should have never been allowed to set fo campus and he should have been expelled long fore he murdered people

liticians and Hollywood celebrities are the first to otect themselves with armed security as you can early see by the military fortress around the Capitol, t oddly many of them also want to take away nericans rights to defend themselves with guns

prevent legal ownership of firearms turn schools into targets

As someone who was personally locked in a classroom in 11th grade due to a fellow student who brought guns to our "gun-free "school intent to kill others, I'm proud to say I'll cosponsor the Safe Students Act to repeal "gun-free" school zone laws and allow Americans to protect our children

I personally understand the fear as a student when there is no good guy with a gun to protect us from the bad guy with guns

As a mother I also personally understand the fear every parent feels when their children are left as sitting targets all day at "gun-free" school zones

Scot Peterson allowed children to be left defenseless against an active shooter. When he was supposed to protect them, he was a coward and refused to go in

ny in the world would he receive such a lucrative nsion after the tragic school shooting at Marjory oneman Douglas High School?

s sickening

e shooter should have never been allowed to set fo campus and he should have been expelled long fore he murdered people

liticians and Hollywood celebrities are the first to otect themselves with armed security as you can early see by the military fortress around the Capitol, t oddly many of them also want to take away nericans rights to defend themselves with guns

r children are the most important people in our untry and they should be protected by good guys v ns

Why would attorneys for Capitol Square Review and Advisory Board demand no security fencing and make this change less than 48 hours before the event?
Allowing radical violent BLM/Antifa in with Pro-Police peaceful attendees?
It's a set up for violence!
Who would do that???

Me either.
Apparently, the legal counsel who advised all former security protocols in regards to security fencing be thrown out, wanted BLM/Antifa violent terrorists in the rally so innocent people would be attacked.
And all the violence caught on camera.
Why the set up?

That's your comment?
I've read your work for years.
No journalistic interest in why the set up where pro-police attendees & police would be attacked by BLM/Antifa?
Or do you just do stories afterwards that make police look bad?
Does the media even support the police?
Do you?

Does the media even support law enforcement?

Or do they just only report the very few bad stories on police?

Does the media ever report the COUNTLESS good things the police do every single day?

When the media's life is in danger who do they call?

Police?

Or BLM & Antifa?

They think they can intimidate people to stop donating & supporting.
But it's not working.
This is why regular Americans hate the media.

Right.

All the Democrat policies that tell black people they are victims and can't because of race are using black people for one thing.

They need them dependent on the government for their needs so that they can keep them as a voting block.

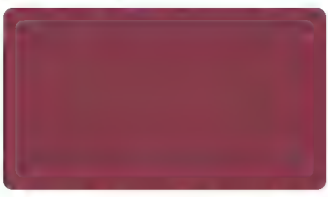
California has a real opportunity now that grassroot CA Rep worked so hard to get the signatures to recall that loser Gov Newsom.



CA Republicans need a serious candidate. Don't play identity politics. It's not about the political consultants.

Play to win for the CA people!

On April 17, Fulton Co GOP held an election for chairman

The party of election integrity collected votes in 9 red solo cups. The outcome was more votes than voters & existing chair Trey Kelly "won."

But new people had joined.

The people in outrage demanded a second vote.

718 · 697 · 1.1k

Marjorie Taylor Greene @mtgreenee · Apr 29

In the second vote, each delegate formed a single file line and put their vote into 1 glass bowl themselves.

A new chair was elected. Susan Opraseuth won 172-148, beating the old chairman.

Imagine that.

Why is [redacted] harassing people who donate to Marjorie Taylor Greene?

What if people started calling Adrienne's friends and colleagues asking to speak about her?

Increasingly, I believe we need a major investigative, dedicated media watchdog digging into their lives.

> **Marjorie Taylor Greene** @mtgreenee
> The media is filled with terrorists, who constantly harass my donors, friends, family, employees, & anyone they can. They think they can intimidate people to stop donating & supporting.

A question that demands answers: why was John Kerry even speaking with Iran when President Trump was leading Middle East peace talks?

Would Biden approve Mike Pompeo doing the same?

If true, Kerry must resign, or be fired and have his security clearance revoked immediately.

Love this lady! 🔥🔥🔥
She says exactly what most Americans really think.

It's largely the Democrats, media, and white celebs like @Alyssa Milano that keep making race the issue.

Treat people by the content of their character and not the color of their skin.

Your guy got 9th @AdamKinzinger & Trump endorsed Susan Wright took 1st in #TX06. You aren't fighting for the soul of the GOP, you sold your soul & sold out the GOP bc you are clueless about what Republican voters think and feel, which is #AmericaFirst and loyalty to Trump.

Joe Biden destroyed President Trump's strong border policies and now the cartel's are making $400 million a month, while trafficking hundreds of thousands illegally into our country.

Biden and the Dems put #AmericaLast.

We have to stop this and put #AmericaFirst!

I've been very outspoken in my strong stance against biological males in ALL girls/women's sports, bathrooms, & programs.

Pathetic you walk around in that state everyday.

Democrat policies are destructive and #AmericaLast.

Dem shutdowns killed 100's of thousands of small businesses.

Dem open borders grow cartel business to $400 million per month.

And Democrat funded BLM/Antifa riots have cost BILLIONS in damage.

Democrats are the enemy within.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

I agree 100%!
If @JoeBiden won the election then there is no need to worry.
Besides it's the people, who are the tax payers, who PAY for the elections.
And PAY for the ballots, voting machines, and salaries.
So why be afraid of transparency???
Election integrity matters.

A full audit of the Nov 3rd election is needed in GA and the people deserve it. Both Democrats and Republicans should not be concerned or worried about this.

A full audit will put the whole issue to rest and if the people who pay for it all want it, they deserve it.

If election integrity matters to everyone, which I hope it does, then why is there a constant fight & refusal to do a full audit of GA's election?

@GovKemp we need everyone in GA to trust our elections so we can save Georgia in '22.

It's time to give the people what they want.

What an embarrassment this is for Arizona. So, these unqualified Qs were going through the ballots with blue and black pens. Only red pens r allowed. When an observer complained they had her booted out. Now they have the observers sign NDA's. FED should stop this nonsense.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

Absolutely right, @mtgreenee.

Can someone please tell @AOC that Planned Parenthood's focus is ABORTION.

In 2018-19, abortions made up 96.4% of Planned Parenthood's pregnancy resolution services, while prenatal services accounted for only 2.3% (See: lozierinstitute.org/fact-sheet-pla ...)

Marjorie Taylor Greene @mtgreenee
If @AOC is so grateful to be a "Planned Parenthood baby" then she should defund the abortion mill, so all the other babies can live instead of die there

Abortion doesn't solve problems or help women achieve, it's the worst lie ever

The GA tax payers and voters are the customers. And all I hear over and over is that no one listens to them.

GA Republican voters who voted for all the Republicans in power want a full audit.

Why are elected GA Republican leaders refusing to do what their voters ask?

Passing the new election law s great and all, but refusing to show transparency to the very people who vote for you and pay for it all is very bad customer service.

And has left many GA Republicans upset and angry

.@SpeakerPelosi you impeached President Trump after you said he incited violence by saying “march peacefully” to the Capitol.

So I can expect a yes vote from you on my resolution to expel @RepMaxineWaters for inciting violence, riots, and abusing power threatening a jury, right?

Expected to be close to 1M but only a disappointing 266,000 jobs added and over 6% unemployment rate is the government's bail out socialist fault!

The Federal government is paying $300 a week of unemployment and add that on the state's unemployment insurance, which in GA is $365.

That's a lovely $665/week!

Our country needs leaders that will actually do the hard work of solving problems vs doing nothing but political messaging.

Like raising kids right with tough love vs spoiled brats.

Like men being Alpha males vs weak beta males.

Weakness is why America is failing.

The Federal government is paying $300 a week of unemployment and add that on the state's unemployment insurance, which in GA is $365.

That's a lovely $665/week!

I'm glad I ran into you today @AOC to plan our debate about the Green New Deal.

After I finish reading all 14 pages, like we agreed, I'll schedule time for our debate.

Happy Mother's Day!

What a beautiful blessing it is to be a mother and to have a mother. ❤

My prayer is for each child to truly know a mother's love.

The Democrats putting the Green New Deal carbon requirements will force the US to be dependent on China.

This would be the worst decision ever made.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

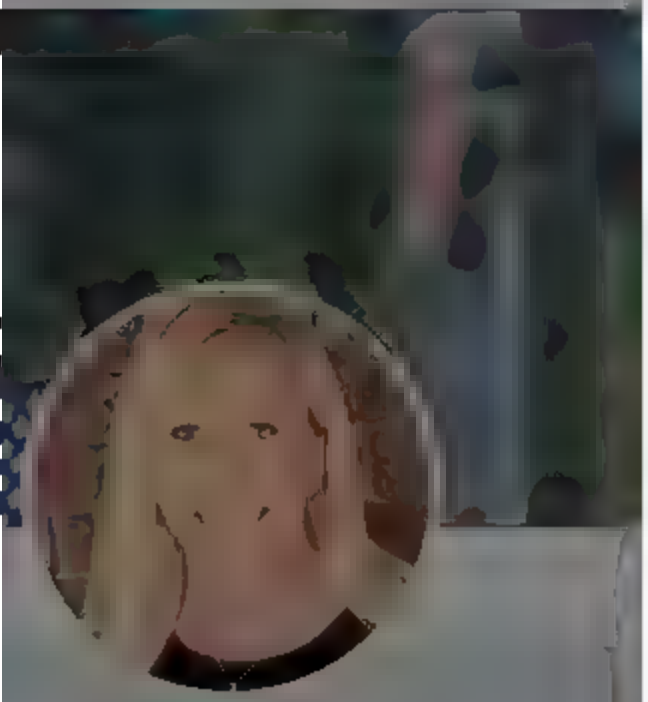
She really doesn't. It's all performative unfortunately.



As much as I wish there was a quick solution to turning things around, it will need to be accomplished by persuasion through discussion, not rhetoric and performance theatre

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

99.9% of all businesses in the US are small businesses.

Paying people to not work is killing these businesses, who already barely survived the Government forced covid shutdowns.

They are now told to "pay more" to incentivize people to come get a job.

Small businesses should not be forced to compete with the government handouts that are on average $640/week.

The government needs to stop its job killing socialism and STOP hurting its own taxpayers ability to EARN a living

Do you know what leads to depreciation of the US dollar?

Inflation and weak economic growth.

The dollar is the top reserve currency in the world.

But it won't be, if the dollar depreciates.

Do you know what is happening right now?

On Wednesday, our GOP Conference will be voting to remove Liz Cheney from the chair.

A vote some of us already took.

Currently, we only have one member running for chair.

I want a break before we vote on a replacement.

Options are good and so are conservative votes.

On Wednesday, our GOP Conference will be voting to remove Liz Cheney from the chair.

A vote some of us already took.

Currently, we only have one member running for chair.

I want a break before we vote on a replacement.

Options are good and so are conservative votes.

Let them dance!

As a matter of fact, dance anyway!

These ridiculous tyrannical rules will stop when the people of this country stop obeying them.

The Dems just keep moving the imaginary goal line to keep you under control.

The @ajc & @bluestein you just lied AGAIN about me.

I'm not tapping brakes to remove Cheney, I already voted once to remove her, and will be voting to again

I said we need to take a break after removing Cheney before we vote for a new chair.

And have more options.

Thank you for coming forward Patricia.
However the problem with the @ajc and @bluestein is that you all have constantly lied about me.
With a very obvious political agenda.
That's not journalism.
That's called political activism and hiding behind the freedom of press to do it.

There are currently 5-6 members of Congress in the chamber "voting" by voice to pass bills and spend money.

430 other members not voting & that's why @chiproytx and I are calling for recorded votes.

We get a mask break at the microphone now bc covid science rules.

Once again, @SpeakerPelosi changed the rules & put all the bills together in one big fat en bloc after we asked for roll call votes today.

So that the people can't see their Rep's individual votes on each separate bill.

Dems are lazy & hiding the truth about what Congress does.

On Wednesday, our GOP Conference will be voting to remove Liz Cheney from the chair.

A vote some of us already took.

Currently, we only have one member running for chair.

I want a break before we vote on a replacement.

Options are good and so are conservative votes.

On Wednesday, our GOP Conference will be voting to remove Liz Cheney from the chair.

A vote some of us already took.

Currently, we only have one member running for chair.

I want a break before we vote on a replacement.

Options are good and so are conservative votes.

On Wednesday, our GOP Conference will be voting to remove Liz Cheney from the chair.

A vote some of us already took.

Currently, we only have one member running for chair.

Not only does the #JihadSquad support terrorism at home and abroad, they also hate our great law enforcement.

America should not have members of Congress like this.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

I voted a second time to remove Liz Cheney as the chair of the GOP.

And I stand alongside 74 million+ Trump supporters in opposing Cheney's Trump derangement syndrome.

I've also asked @GOPLeader to delay the replacement vote.

There should be choices not predetermination.

Let's go to Arizona @mattgaetz!

Election integrity should matter to everyone.

I can't imagine anyone at the DOJ trying to interfere with what the people of Arizona want.

After all, the people payed for those ballots and everything to do with the AZ elections.

Let's go to Arizona @mattgaetz!

Election integrity should matter to everyone.

I can't imagine anyone at the DOJ trying to interfere with what the people of Arizona want.

After all, the people payed for those ballots and everything to do with the AZ elections.

Actually, @SpeakerPelosi the Ethics Commitee should look into @AOC for putting Trump admin staff and supporters on lists to destroy their lives and prevent future employment.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

We need to investigate why @SpeakerPelosi did not have 10K National Guard at the Capitol on Jan 6th like Pres Trump requested on Jan 5th since it was warned ahead of time by intelligence there was something planned and pipe bombs were found at the RNC and DNC on Jan 5th.

That was a very serious and grave action taken to ignore the President's request for NG troops at the Capitol.

Ignoring a clear threat to the Capitol and all the lives involved.

There needs to be accountability for that.

.@SpeakerPelosi you impeached President Trump after you said he incited violence by saying “march peacefully” to the Capitol.

So I can expect a yes vote from you on my resolution to expel @RepMaxineWaters for inciting violence, riots, and abusing power threatening a jury, right?

The fact that you are openly supporting terrorists Hamas firing rockets into our ally Israel and supporting Antifa/BLM Violent riots against Americans should disqualify you from being a member of Congress.
You keeping lists of Trump admin and supporters is terrifying.

Stop lying, Jamie.

Eric Swalwell chased my staffer into the Captiol, cornered him and exploded in anger inches from his face.

This occurred in front of Capitol Police and reporters.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

So strange to see people attempting to vilify @mtgreenee for attempting to set up a debate with another member of Congress. The left media is falling all over itself to represent #AOC as some helpless child. If she's so fragile, she shouldn't be in Congress, period.

I was a witness & @EricSwalwell is lying. No one yelled.

He thinks he's in some elite class where no one can share the good news that Dictator Biden said we don't have wear masks!

I do agree w Eric, though. No one should be bullied: for refusing to wear a mask or get a vaccine.

In the chamber, to debate her destructive socialist policies.

But Sandy doesn't know how to work with Republicans.

Neither do you.

.@SpeakerPelosi you impeached President Trump after you said he incited violence by saying “march peacefully” to the Capitol.

So I can expect a yes vote from you on my resolution to expel @RepMaxineWaters for inciting violence, riots, and abusing power threatening a jury, right?

You only know how to hide and play victim.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

It was no longer possible for CDC to keep up the ruse when states like Florida and Texas ignored the CDC guidelines with no ill consequences.

I voted a second time to remove Liz Cheney as the chair of the GOP.

And I stand alongside 74 million+ Trump supporters in opposing Cheney's Trump derangement syndrome.

I've also asked @GOPLeader to delay the replacement vote.

There should be choices not predetermination.

God sees every abortion.

Every little one ripped apart limb by limb, dissolved, and sucked away.

Abortion is the most evil lie ever sold to women.

Let us be the generation that ends it.

Let's take care of women and orphans.

Let's defund the evil and end the lie.

Lt. Col. Lohmeier is a Patriot telling the truth about the attempted wokeification of our military - and worse.

His demotion is clearly retaliatory.

I will be seeking action on this in the Armed Services Committee.

Meanwhile, people should listen to the podcast & buy his book.

That was the most bizarre speech from any US President I've ever seen.

Does Biden know about all the open states?

He says everyone must get the vaccine & we might get to have a BBQ with our families on July 4th.

Should we tell him most of us have been doing that the past year?

It's been over a year. Any mask rule not passed or affirmed by a legislature (which is nearly every mask rule) should be null and void. These are not laws, and they can't be considered emergency orders at this point.

The #January6Commission will be Witch Hunt 2.0 led by Trump hating Dems and Reps, only this time Dems have full control.

The media will cover it 24/7 and only report anything that they can use to kill off Trump forever, shame ALL Trump supporters, and smear Republicans.

The media doesn't care about the truth.

That's why they call domestic terrorists Antifa/BLM "peaceful protestors"

It will give the media another giant scandal to talk about for 4 years, and shape the story they want the public to believe.

That's ok, we're not mad at you. Biden and the Democrats scammed a lot of people.

Let's throw all these Democrat Socialists out in '22 & Biden out in '24 & Save America!

Then let's not let them divide us anymore & we will pass #AmericaFirst policies & we will ALL make money!

Every single day the conspiracy news network and Democrat run media lies about me because I'm on the front lines telling the Dems & RINO's exactly what real Americans say at their kitchen table.

I won't stop bc millions are with me.

I'm fed up with losers ruining our country.

Refuse to be a second class citizen.

This latest "vaccinate or wear a mask" push from schools and employers is unconstitutional. Fight back.

Natural immunity is at least as effective as vaccine induced immunity, but it's ignored by these rules, which aren't based in science.

Donald Trump told the world last year that COVID started in the Wuhan lab.

He cut off funding to the same Wuhan lab, over Fauci objections, and left the WHO over their pro-China bias.

Now Joe Biden wants an independent investigation... by the same WHO.

Give me a break.

Vaccinated employees get a vaccination logo just like the Nazi's forced Jewish people to wear a gold star.

Vaccine passports & mask mandates create discrimination against unvaxxed people who trust their immune systems to a virus that is 99% survivable.

People have the freedom to NOT get vaccinated if they don't feel comfortable with it. Those that ARE vaccinated shouldn't shame the unvaccinated. We have enough division. The last thing America needs is separating citizens into two medical tiers with a reward/punish system!

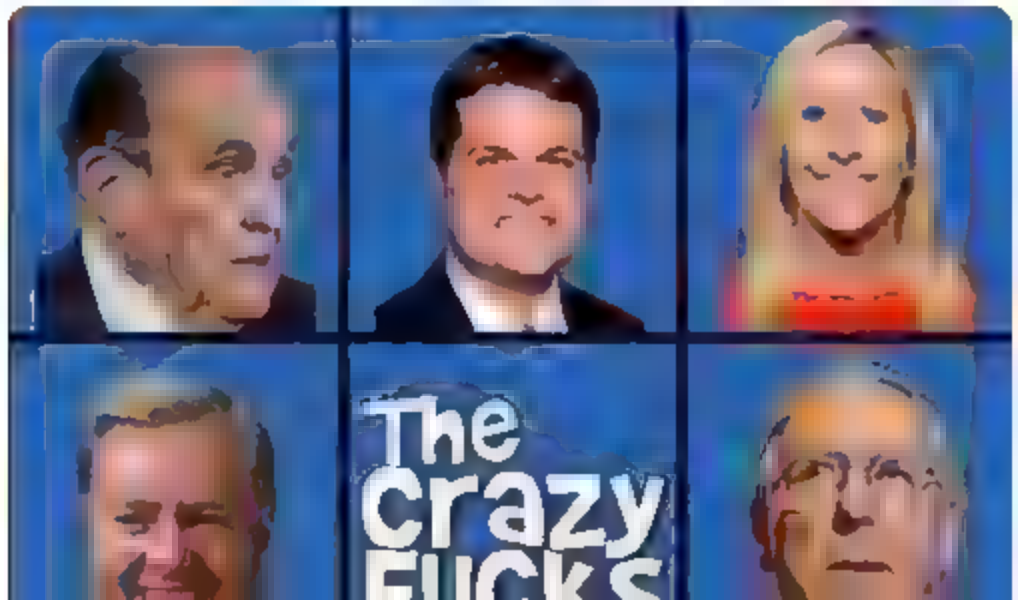
Congratulations to the people of Texas, soon to be America's 21st Constitutional Carry state!

Americans should not be forced to ask government for permission to exercise our #2A rights!



Let's get this done in Georgia!

@RepMTG defends Israel and attacks Democrats

Media falsely slams MTG as anti-Semitic

Some Republicans take the bait, sadly.

I was just told @Twitter suspended me for 12 hrs in "error," on the same day Dems introduced a resolution to expel me from Congress.

What a coincidence?

Twitter's little error wasn't resolved until after 12 hrs.

@jack which employee made the "error?"

The Congressional mass call out of MTG, while failing to carry out any of their actual duties as U.S. representatives, is one more reason to despise these frauds.

Not sure why this take is getting so much backlash.

MTG isn't invoking the Holocaust. She's comparing vaccine passports & mask mandates to initial steps of discrimination against Jews that led to the Holocaust.

No one picked their skin color before they were born so stop with the racism.

The woke media is attacking me for being outspoken against vax discrimination & smearing me as antisemitic to cover the truth that the #JihadSquad openly supports Hamas terrorists.
I wonder if GOP leadership would cosponsor my bill to defund terrorists?

Biden made us a "Sanctuary Country."

So if your daughter gets raped by a drunk illegal that just sold heroine & stole her car, ICE is not allowed to deport him.

He gets out on bail and fades away with the other 11-22+ million illegals.

Ask any Angel Mom or Dad how they feel.

We are in a workforce crisis caused by shutdowns and stimulus checks.

Businesses are desperate for workers.

There is a supply shortage in nearly every industry.

And now we need 90,000 more truck drivers than this time last year, which was in big deficit.

Stop Socialism!

One of the greatest lies told by the radical Socialist Democrats and their spokesmen in the Fake News Media is that "no one wants to take your guns away."

No Republican should vote for gun-grabber David Chipman who proved again yesterday that he DOES want to take our guns away.

Remember all the conspiracy theories and lies like Trump/Russia collusion and propaganda that the media has spread around.

Take it from me rumors and headlines don't equal truth.

I was just told @Twitter suspended me for 12 hrs in "error," on the same day Dems introduced a resolution to expel me from Congress.

What a coincidence?

Twitter's little error wasn't resolved until after 12 hrs.

@jack which employee made the "error?"

And Paul Ryan wants to tell Republicans how to be "Republican."

Well we've had enough of ineffective Republican leadership that doesn't stop the Hate-America left, but just talks about it.

The base will make sure it's #AmericaFirst Republicans from here on out.

It's absolutely vital that Republicans take back the House in the next election. And I believe we will.

But we must have a Republican majority that fights for Americans First, not Americans Last, and delivers on the promises made on the campaign trail!

With our Second Amendment rights under attack like never before from Washington, DC, it's long past time for Georgia to pass Constitutional Carry! #2A

In 21 states you don't have to ask government for permission to exercise your 2A rights ... let's make this happen, Georgia!

If you knew your government used your tax dollars to fund research overseas that developed a virus that ruined your life for the last year, would that affect your affinity for bigger government?

That question is the answer to why it's taken so long for the media to cover Wuhan.

Her political consultants did this. It is a reflection of the Democrat party, who hates our freedom.

And hates the Veterans who died defending it, so they purposely insult them.

Biden is coming for you Mr and Mrs Republican. Hidden in his $6 trillion dollar budget, along with AOC's Climate Corps, is Biden's plan to hire 87,000 IRS agents to audit and analyze every detail of your life.

Why?

Because you love America and hate his Socialist plans.

Congratulations to @AOC on manipulating Dementia @JoeBiden into putting the Green New Deal (plan to destroy America through socialism), in his $6 TRILLION dollar budget.

No wonder he's adding 87K IRS agents to go after tax payers to pay for it!

Is he hiring Lois Lerner too?

Will @JoeBiden and @SpeakerPelosi be receiving Communion today in Mass?

Biden's $6 TRILLION dollar budget removes the Hyde amendment and opens the floodgates for American taxpayer's hard earned money to federally fund abortion.

The #Catholic Church should refuse them Communion.

What an incredible Memorial Day event put on today by The Exchange Club of Rome at the Coosa Valley Fairgrounds.

I'm thankful for the younger generation in attendance who were there to honor those who never came home.

Was this called an insurrection?
Did the media react with hyper outrage?
Did the FBI track every person and arrest them?
Was there a 9/11 style commission?
Were all related riots by these domestic terrorists stopped and those participants, supporters, and funding arrested?

No?

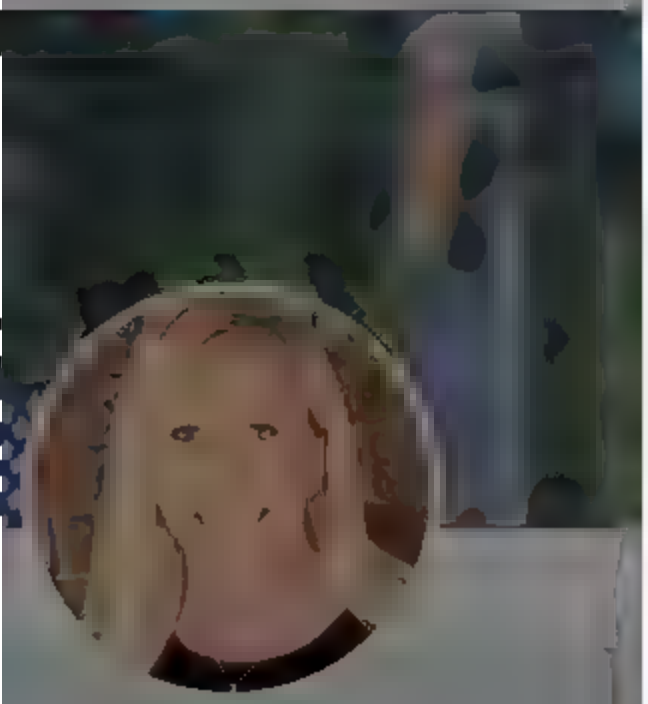
Remember when the IRS was targeting conservatives under the Obama/Biden admin and even admitted it?

And no one went to jail.

Well in Joe Biden's $6 TRILLION dollar budget, he's hiring 87,000 IRS agents.

Why?



To target Trump voters and donors.

I was just told @Twitter suspended me for 12 hrs in "error," on the same day Dems introduced a resolution to expel me from Congress.

What a coincidence?

Twitter's little error wasn't resolved until after 12 hrs.

@jack which employee made the "error?"

American Universities and professors are so woke that they are actually rewriting the Spanish language to make masculine & feminine words non-binary.

So your kids are brainwashed to believe Spanish is offensive.

Joe Biden is a Socialist.

Dem voters don't fully realize it yet.

The Democrat party are socialists, but they are all a little different in varying degrees.

They think it's good for society as a whole, but it's a fantasy, and all Marxism.

Socialism is always Socialism.

This officially disqualifies those mask fines several of us have for not wearing a mask on the House floor that Speaker Maskhole is trying to take out of our salary.

The highest paid employee of the Federal Gov and Covid expert says masks don't work!

#FireFauci

From: Fauci, Anthony (NIH/NIAID) [E]

To: Sylvia Burwell
Subject: RE: A couple of quick questions

Sylvia
Masks are really for infected people to prevent them from spreading infection to people who are not infected rather than protecting uninfected people from acquiring infection. The typical mask you buy in the drug store is not really effective in keeping out virus, which is small enough to pass through the material. It might, however, provide some slight benefit in keep out gross droplets if someone coughs or sneezes on you. I do not recommend that you wear a mask, particularly since you are going to a very low risk location. Your instincts are correct, money is best spent on medical countermeasures such as diagnostics and vaccines
Safe travels.
Best regards,
Tony

Good morning, everyone.

Today seems like a great day to FIRE Anthony Fauci for the damage he's done to our country.

We've all seen the emails.

There must be an investigation into the origins & the purpose of #COVID19 and Fauci's role.

We demand it.

Was the virus designed as a Bio weapon?

Was it intentionally released?

What is the real purpose of "gain of function?"

Playing Dr. Frankenstein has serious consequences.

What is there to hide?

Why is it political?

Everyone suffered from the manmade virus that was leaked out of the Wuhan lab where Fauci funded gain of function research and it killed people.

It's time to hold Fauci accountable for his lies and potential involvement in the cover up of the origins of the Chinese virus.

We deserve answers, @JoeBiden!

Through a Chinese made bio weapon, America and the world came to a halt.

But it is the Democrat's Socialists policies that has caused the derailment of our strong economic engine, and will prevent the return.

Thanks for the note, Jenna.

The schools should be re-opened.

Democrats are more interested in campaign contributions from Union Bosses than they are the students.

The world is like an all you can eat buffet of socialists countries.

If you want Socialism, go pick a socialist country of your choice and move there.

Leave America alone.

Unlike many of you, we actually appreciate our freedoms, and we will keep defending them.

.@AOC socialism is to blame for the problems people are facing in Puerto Rico.

Not President Trump.

Stop being a perpetual victim, stop preaching victimhood, and stop pushing socialist policies that create government corruption and systemic poverty.

No taxpayer dollars should be used to buy aborted baby body parts.

In fact, this practice (which the Biden admin would love to spend big on) should be ended immediately.

The American people would be outraged if they knew this was happening with their hard earned dollars.

No taxpayer dollars should be used to buy aborted baby body parts.

In fact, this practice (which the Biden admin would love to spend big on) should be ended immediately.

The American people would be outraged if they knew this was happening with their hard earned dollars.

Unblock President Trump and stop with the hypocritical virtue signaling.

Vaccinated employees get a vaccination logo just like the Nazi's forced Jewish people to wear a gold star.

Vaccine passports & mask mandates create discrimination against unvaxxed people who trust their immune systems to a virus that is 99% survivable.

President Trump's speech showed a stark difference between two leaders.

Trump put America first & America was strong. He loves our freedoms, & would do anything to defend them.

Biden puts America last & our country is weak & he is destroying our freedoms.

Everyone sees it.
